

Name	Highest Academic qualification	Subject area	Specialization	Interest	Address
Jane M. Macharia	MSc	Wetlands Ecosystem	Wetlands Ecology	Conservation genetics, wetland limnology/ecology, wetland socio-economic valuation in addition to development of wetlands awareness/education materials.	jmacharia@museums.or.ke
George Ndiritu	PhD			Biotic indicators of wetland/water quality (diatoms), wetland limnology/ecology, taxonomic diversity of slime molds in addition to wetland-landscape dynamics with human dimension.	
Taita Terer	PhD			Conservation genetics, biomass productivity of aquatic plants and sustainable utilization of wetlands including aquatic plants in addition to wetland limnology, indigenous /local/traditional knowledge on wetland biodiversity/uses/conservation and development of wetlands awareness/education materials.	
Collins Handa	PhD			Wetlands characterization- agricultural use dynamics, wetland ecology/limnology, wetland bio accumulator pollutants in addition to biodiversity conventions implementation.	
Dickens Odeny	MSc	Water and Coastal Management	Hydroinformatics	Biodiversity modeling, Spatial landscape ecology (geoinformation), Biodiversity and Climate change	
Peris Mweru Kariuki	Msc	Environmental Studies	Natural Resource management (plant conservation, Ethnobotany and Indigenous knowledge)	Indigenous medicinal and food plants, trade in wild species, climate change and adaptation community based conservation, working with local communities	pkariuki@museums.or.ke ;
Ruth Adeka	BPhil	Applied Biology	Ethnobotany	Traditional food recipes, Plant Databases, Working with local communities, community outreach programmes	ruthadeka@gmail.com
Hassan G. Roba	PhD	Environment and Development	Dryland Environmental governance	Indigenous knowledge , participatory environmental management, resource governance institutions, social and ecological resilience , pastoralism	hguyo@museums.or.ke

Beatrice Khayota	PhD	Botany	Plant Taxonomy and Convention on International Trade in Endangered species of wild Fauna and Flora (CITES)	Family Orchidaceae and Biological Conventions	
Audia Atogo	MA	Gender and Development Studies	Women and Food Security	Gender and Development Research, Handling Heritage Issues	aatogo@museums.or.ke
Dennis Okeyo Opudo	Mphil	Human Ecology & Anthropology	Ethno-ecological research	Ethno-ecological Research Socio-Ecological Impact Assessments Baselines and Project Evaluations Socio-Cultural project Development Planning	dopudo@museums.or.ke
Lydia Nafula	MA	Development Studies	Gender and development	Cultural and Development Research	lnafula@museums.or.ke
Mercy Gakii Kinyua	MA	Anthropology	Gender and refugee studies	Cultural research	mkinyua@museums.or.ke
Philemon Ochieng' Nyamanga	MA	Anthropology	Cultural Anthropology, Heritage Conservation and Risk Management	Ethnographic research, culture and communication, exhibition, community development, tourism, collection management and teaching	ochiengnyamanga@yahoo.com ;
Ray Balongo Khaemba	Certificate		Collection Management	Handling and care of the collections	rkhaemba@museums.or.ke
Emily Wabuyele	PhD	Botany	Plant systematics	Dryland Biodiversity Management, information management, collection management	ewabuyele@museums.or.ke
Asha Owano	Msc	Information Science	Librarianship		
Immelda Kithuka	BSc	Information Science	Records and Archives Management	Information Management	
Anthony K. Chege	Diploma	Information Science	Librarianship		
John Amulaku	Higher National Diploma	Information Science	Records Management		
Geoffrey Iruri	Diploma	e	Archives and Record Management	Archiving	
Jane A. Demba	Diploma	Information Science	Records Management		
Momanyi Ongondo	Certificate	Information Science	Librarianship		
Jairus Agoswa	Certificate		Binding
